

A close-up photograph of a branch of a bleeding heart plant. The branch is covered with numerous small, pink, heart-shaped flowers that hang downwards. Some flowers are fully open, showing white inner petals and yellow stamens, while others are still in bud. The background is a soft-focus green, suggesting other foliage.

Genesis 45:05 Now therefore be not  
grieved, nor angry with yourselves,  
that ye sold me hither: for God did  
send me before you to preserve life.
