

A close-up photograph of a garden. In the foreground, a large, vibrant purple pansy is in full bloom, its petals showing subtle veining. Behind it, several bright yellow pansies are also in bloom, their petals appearing soft and slightly ruffled. The background is filled with dense green foliage, including small, rounded leaves and some unopened flower buds. The lighting is bright, creating a high-contrast scene with deep purples, bright yellows, and various shades of green.
