

A close-up photograph of three monarch butterflies (Danaus plexippus) resting on green foliage. The butterflies are bright orange with black markings on their wings. They are positioned at different heights and angles, with one in the upper center, one in the middle, and one in the lower right. The background is a dense thicket of green leaves and stems, with some dried, brown leaves visible in the lower left corner. The lighting is bright, suggesting a sunny day.

Mark 07:31 And again, departing
from the coasts of Tyre and Sidon,
he came unto the sea of Galilee,
through the midst of the coasts of
