

A close-up photograph of several purple chrysanthemum flowers. The flowers are in full bloom, with numerous long, thin, tubular petals radiating from a central point. The petals have a vibrant purple hue with some darker, almost magenta, tips. The background is softly blurred, showing more of the same flowers and some green foliage, creating a sense of depth. The lighting is bright and even, highlighting the texture of the petals.

Deuteronomy 02:03 Ye have
compassed this mountain long
enough: turn you northward.
