

A close-up photograph of a vibrant orange lily flower. The petals are a rich, saturated orange color and are covered with numerous small, dark brown or black spots, a characteristic pattern for this species. The flower is in full bloom, with several petals visible, some overlapping. The background is dark and out of focus, making the flower stand out prominently. The text is overlaid on the upper portion of the image in a white, serif font.

**Exodus 24:14 And he said unto the
elders, Tarry ye here for us, until
we come again unto you: and,
behold, Aaron and Hur are with
you: if any man have any matters
to do, let him come unto them.**
