

Exodus 25:05 And rams' skins dyed
red, and badgers' skins, and
shittim wood,

A close-up photograph of several orange lily petals covered in water droplets, set against a dark green background. The petals are the central focus, showing their delicate texture and vibrant orange color. Numerous small, clear water droplets are scattered across the surface of the petals, reflecting light and adding a sense of freshness. The background is a deep, dark green, which makes the orange petals stand out prominently. The overall composition is artistic and detailed.
