

A close-up photograph of a butterfly with black wings and yellow markings, perched on a green plant with small white flowers. The background is a blurred garden scene with brown mulch and other greenery. A white text overlay is centered on the image, reading: Joshua 19:34 And then the coast turneth westward to Aznothtabor, and goeth out from thence to Hukkok, and reacheth to Zebulun on the south side, and reacheth to Asher on the west side, and to Judah upon Jordan toward the sunrising.
