

A close-up photograph of a bright red flower, possibly a species of ginger or similar, with several long, pointed petals and prominent yellow stamens. The flower is the central focus, surrounded by lush green leaves and stems, some of which are out of focus in the background. The lighting is natural, highlighting the texture and color of the petals.

1st Kings 12:31 And he made an  
house of high places, and made  
priests of the lowest of the people,  
which were not of the sons of Levi.
