

A close-up photograph of a leopard's head and shoulders, resting on a patch of green grass. The leopard's fur is a mix of brown and black, with a prominent spotted pattern. Its eyes are partially visible, and its whiskers are clearly defined. The background is a soft-focus green field.

2nd Chronicles 02:17 And Solomon
numbered all the strangers that
were in the land of Israel, after the
numbering wherewith David his
father had numbered them; and
they were found an hundred and
fifty thousand and three thousand
and six hundred.
