

A close-up photograph of a bouquet of white flowers. In the foreground, a large, fully bloomed white rose is the central focus, showing its intricate petal structure. To its right and slightly behind, there are several smaller, delicate white flowers, likely baby's breath, on thin green stems. The background is softly blurred, showing more of the bouquet and some greenery. The overall lighting is soft and natural, highlighting the textures of the petals.

father or his mother, and saith, It  
is no transgression; the same is  
the companion of a destroyer.**
