

**Jeremiah 41:17 And they departed,  
and dwelt in the habitation of  
Chimham, which is by Bethlehem,  
to go to enter into Egypt,**

The background of the image features two vibrant purple flowers with five petals each, set against a solid black background. The flowers are positioned in the lower right quadrant, with one slightly above and to the left of the other. Their stems and leaves are visible, extending towards the bottom right corner. The lighting highlights the delicate texture of the petals and the central stamens.
