

A winter landscape with snow-covered trees and a blue sky. The scene is a high-angle view of a snowy mountain peak. The foreground is dominated by large, rounded snowdrifts on the left side, which are illuminated by a warm, golden light, likely from the setting or rising sun. The rest of the landscape is a vast, flat expanse of snow, leading to a distant horizon under a clear, pale blue sky. The overall mood is serene and majestic.

Obadiah 01:04 Though thou exalt
thyself as the eagle, and though
thou set thy nest among the stars,
thence will I bring thee down,
saith the LORD.
