

A close-up photograph of a field of golden wheat. The wheat stalks are in sharp focus in the foreground, showing their characteristic awns. In the background, the wheat is slightly blurred, and there are several green weeds with broad leaves growing among the stalks. The overall scene is bathed in warm, golden light, suggesting a late afternoon or early morning setting.

into the perfect law of liberty, and
continueth therein, he being not a
forgetful hearer, but a doer of the
work, this man shall be blessed in
his deed.**
