we dwell in him, and he in us,
because he hath given us of his
Spirit.**

A close-up photograph of a field of lupines. The central focus is a tall, slender stem of a pink lupine, densely packed with small, bell-shaped flowers. To the left and right, other lupine stems are visible, some with blue flowers and others with green buds. The background is a lush, out-of-focus green field of similar plants, creating a sense of depth and natural beauty. The lighting is bright, suggesting a sunny day, and the overall color palette is dominated by various shades of green and the soft pinks and blues of the flowers.
