

A close-up photograph of pink hydrangea flowers. The image shows several large, light pink flowers with many small, rounded petals. In the center, there is a cluster of smaller, more tightly packed flowers, some in various stages of bloom, showing yellow and green centers. The background is dark and out of focus, making the flowers stand out.

**Deutronomy 02:19 And when thou  
comest nigh over against the  
children of Ammon, distress them  
not, nor meddle with them: for I  
will not give thee of the land of the  
children of Ammon any  
possession; because I have given it  
unto the children of Lot for a  
possession.**
