

**Numbers 21:19 And from Mattanah
to Nahaliel: and from Nahaliel to
Bamoth:**

A close-up photograph of a daisy flower with numerous long, narrow petals. The petals are a bright purple color, with a white or very light purple center. The flower's core is a dark, almost black, textured center. The background is a soft, out-of-focus green, suggesting foliage. To the left of the main flower, there is a smaller, unopened purple flower bud. The overall lighting is bright, highlighting the texture of the petals.
