

**2nd Samuel 20:11 And one of Joab's
men stood by him, and said, He
that favoureth Joab, and he that is
for David, let him go after Joab.**

A close-up photograph of a vibrant pink Protea flower. The flower's petals are layered and pointed, creating a starburst-like appearance. The background is a dark, out-of-focus green, likely the leaves of the plant, which have a distinct mottled or striped pattern.
