

A photograph of a sandy beach with driftwood and sparse vegetation. The scene is captured from a high angle, showing a large, weathered piece of driftwood lying diagonally across the center. The sand is light-colored and textured, with several clumps of tall, thin, yellowish-brown grasses and some low-lying, reddish-brown shrubs scattered around. The lighting is bright, creating soft shadows and highlighting the textures of the sand and wood.

Acts 21:19 And when he had saluted them, he declared particularly what things God had wrought among the Gentiles by his ministry.
