

A close-up photograph of a pink lily flower with a bud in the foreground. The flower is in full bloom, showing six petals with a gradient from light pink to a deeper pink. The center of the flower features several stamens with dark anthers. In the foreground, a lily bud is partially open, showing its green and pinkish-orange scales. The background is filled with green lily leaves and other flowers, creating a lush, natural setting.

**Psalm 78:13 He divided the sea,
and caused them to pass through;
and he made the waters to stand as
an heap.**
