

A close-up photograph of a garden scene. In the foreground, several smooth, light-colored rocks are scattered. A small blue butterfly with white spots is perched on one of the rocks. To the left, a larger orange butterfly is partially visible. The background is filled with lush green plants, including a prominent one with small, pointed leaves and tiny yellow flowers. The overall scene is bright and natural.

2nd Kings 23:11 And he took away
the horses that the kings of Judah
had given to the sun, at the
entering in of the house of the
LORD, by the chamber of
Nathanmelech the chamberlain,
which was in the suburbs, and
burned the chariots of the sun
with fire.
