

A close-up photograph of a garden bed. The foreground is dominated by several large, vibrant pink flowers with multiple layers of petals, likely a variety of geranium. Interspersed among the flowers are tall, slender, dark brown or black stems that rise vertically. The background is filled with more pink flowers and dense green foliage, creating a lush and colorful scene. The lighting is bright, highlighting the texture of the petals and the contrast between the dark stems and the green leaves.
