

A garden scene featuring a small waterfall cascading over several large, dark brown rocks. The water is clear and creates a soft white foam as it falls. The surrounding area is lush with greenery, including various types of grasses and small plants. In the foreground, there are clusters of bright pink flowers with yellow centers and several small purple flowers. The background is filled with dense green foliage, including what appears to be a pine tree with long, thin needles. The overall atmosphere is peaceful and natural.
