

A close-up photograph of a cluster of pink hydrangea flowers. The central part of the cluster is filled with many small, light purple flowers, while the outer edges are composed of larger, bright pink petals. The background is dark and out of focus.

**Psalm 139:16 Thine eyes did see  
my substance, yet being unperfect;  
and in thy book all my members  
were written, which in  
continuance were fashioned, when  
as yet there was none of them.**
