

A close-up photograph of a strawberry plant. The image shows several green, serrated leaves with prominent veins. In the center, a single, ripe, bright red strawberry is visible, showing its characteristic seeds. To the right, there are several white flowers with yellow centers, some in full bloom and others as buds. The background is slightly blurred, showing more of the plant and some dark soil.

John 02:09 When the ruler of the feast had tasted the water that was made wine, and knew not whence it was: but the servants which drew the water knew; the governor of the feast called the bridegroom,
