

1st Chronicles 11:11 And this is the number of the mighty men whom David had; Jashobeam, an Hachmonite, the chief of the captains: he lifted up his spear against three hundred slain by him at one time.

A butterfly with brown and orange wings is resting on a dark, cracked rock surface. The butterfly's wings are spread, showing intricate patterns of brown, orange, and white. The rock is dark and has several cracks running across it. In the foreground, there is some green foliage, which is slightly out of focus. The overall scene is a close-up of the butterfly on the rock.
