

A close-up photograph of a bouquet of flowers. The bouquet features several stems of yellow flowers with red and brown speckled centers, likely a type of orchid. There are also some red flowers on the left side. The background is slightly blurred, showing a white surface with some text. A white text overlay is positioned in the upper left quadrant of the image.

Esther 09:17 On the thirteenth day
of the month Adar; and on the
fourteenth day of the same rested
they, and made it a day of feasting
and gladness.
