

A close-up photograph of several vibrant red carnations. The petals are densely packed and have a slightly serrated edge. Numerous clear water droplets are scattered across the surface of the flowers, catching the light and creating bright highlights. The background is a soft, out-of-focus green, suggesting foliage. The overall composition is centered and fills most of the frame.

which had been healed of evil  
spirits and infirmities, Mary called  
Magdalene, out of whom went  
seven devils,**
