

The background of the image shows several butterflies resting on light-colored, textured rocks. One prominent butterfly in the foreground has bright orange wings with dark markings. Other butterflies, some with similar orange wings and others with darker patterns, are scattered across the rocks in the background. The lighting is soft, creating a natural and serene atmosphere.

**Isaiah 49:19 For thy waste and thy desolate places, and the land of thy destruction, shall even now be too narrow by reason of the inhabitants, and they that swallowed thee up shall be far away.**
