

**Genesis 13:05 And Lot also, which
went with Abram, had flocks, and
herds, and tents.**

A decorative waterfall display featuring a central stream of water cascading over several layers of reddish-brown and grey rocks. The water is clear and glistening. The rocks are surrounded by various types of green plants, including small succulents and mosses, creating a lush, naturalistic appearance. The overall scene is well-lit, highlighting the textures of the rocks and the vibrant colors of the vegetation.
