

2nd Timothy 03:04 Traitors, heady,
highminded, lovers of pleasures
more than lovers of God;

A close-up photograph of a fuchsia flower. The flower has large, white, petal-like bracts at the base, with a cluster of small, purple, bell-shaped flowers (zygomorphic flowers) growing from a central point. Several long, thin, pinkish-red stamens with red, pointed tips extend downwards from the flower. The background is dark and out of focus.
