

Acts 10:27 And as he talked with him, he went in, and found many that were come together.

A decorative garden waterfall cascading over large, mossy rocks. The water flows from the top right towards the bottom right, creating white foam as it hits the rocks. The rocks are dark and wet, with patches of green moss. In the foreground, there are several large, light-colored rocks and a bed of small, smooth pebbles. To the left, there are tall, thin green grasses. In the bottom right corner, there are a few small yellow flowers. The background shows more greenery and a clear blue sky.
