

A close-up photograph of a bright pink, five-petaled flower, likely a petunia, with a dark center. The flower is surrounded by lush green leaves of various shapes and sizes, some showing signs of being eaten or damaged. The lighting is bright, creating a high-contrast scene with deep shadows and bright highlights on the petals and leaves.

**Ezekiel 19:10 Thy mother is like a
vine in thy blood, planted by the
waters: she was fruitful and full of
branches by reason of many waters.**
