

Amos 09:04 And though they go  
into captivity before their enemies,  
thence will I command the sword,  
and it shall slay them: and I will  
set mine eyes upon them for evil,  
and not for good.

A monarch butterfly with its characteristic orange and black wings is perched on a cluster of small, white, star-shaped flowers. The butterfly's proboscis is extended into one of the flowers, feeding on the nectar. The background is a soft-focus natural setting with green foliage and brown earth.
