

A close-up photograph of a dense patch of Gaillardia flowers. The flowers are in various stages of bloom, with some showing vibrant red and yellow petals, while others are faded or have turned into brown, fuzzy seed heads. The green leaves are interspersed among the flowers. The background is a light-colored, textured surface, possibly sand or gravel.

Lamentations 04:13 For the sins of  
her prophets, and the iniquities of  
her priests, that have shed the  
blood of the just in the midst of  
her,
