

A green praying mantis is perched on a leaf in the foreground, slightly out of focus. In the background, a butterfly with black, white, and red markings is visible, also out of focus. The overall scene is a close-up of nature with a soft, natural light.

**2nd Timothy 01:08 Be not thou
therefore ashamed of the
testimony of our Lord, nor of me
his prisoner: but be thou partaker
of the afflictions of the gospel
according to the power of God;**
