

A vibrant blue butterfly with iridescent wings is perched on a green leaf. The butterfly's wings are covered in fine droplets of water, giving them a shimmering appearance. In the background, another butterfly with white wings is partially visible, and the overall scene is set against a lush green background of foliage.

**Zechariah 07:07 Should ye not hear

cried by the former prophets,
when Jerusalem was inhabited and
in prosperity, and the cities
thereof round about her, when
men inhabited the south and the
plain?**
