

**Genesis 26:16 And Abimelech said
unto Isaac, Go from us; for thou
art much mightier than we.**

A close-up photograph of a large, vibrant flower, likely a Mimulus aurantiacus (Monkey flower). The flower features large, overlapping petals with a striking color gradient from bright yellow in the center to deep orange and red at the edges. The center of the flower is a dense cluster of numerous small, bright yellow stamens. The background is a dark, out-of-focus green, suggesting foliage.
