

A close-up photograph of a garden bed. In the foreground, several smooth, light-colored grey stones are scattered. Behind them, a variety of green, succulent-like plants with small, pointed leaves are growing. Interspersed among the greenery are several small, vibrant flowers, including a prominent red one and a few orange ones. The ground is dark brown soil, partially covered with dark brown mulch. A dark, cylindrical object, possibly a pipe or a log, runs horizontally across the lower right portion of the frame. The overall scene is brightly lit, suggesting a sunny day.
