

A close-up photograph of a garden scene. The foreground and middle ground are filled with numerous purple chrysanthemum flowers, some in full bloom and others as buds. The flowers have a dense, multi-petaled structure. Interspersed among the green stems and leaves of the chrysanthemums are plants with dark, almost black, foliage, likely a variety of Japanese maple. The background is a soft-focus field of more green plants, possibly grasses or other garden foliage. The lighting is bright, suggesting a sunny day, with some shadows cast on the leaves.

Loose the four angels which are
