

A close-up photograph of a field of harvested wheat. The foreground is dominated by a dense growth of green weeds with large, heart-shaped leaves. Behind the weeds, the golden-brown stalks of harvested wheat are visible, some standing upright and others lying flat on the ground. The background is a soft-focus expanse of more harvested wheat, creating a sense of depth and texture. The overall lighting is natural, suggesting an outdoor setting during the day.

**1st Corinthians 14:04 He that
speaketh in an unknown tongue
edifieth himself; but he that
prophesieth edifieth the church.**
