

A close-up photograph of a bouquet of flowers. The central focus is a large, vibrant yellow rose with many layers of petals. To its right is a large, dark purple hydrangea flower head. In the foreground, there are several smaller purple pansies. The background is filled with more green leaves and various other flowers, including some yellow ones. The lighting is soft, highlighting the textures of the petals.

**Exodus 07:11 Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments.**
