

An aerial photograph showing the white, frothy wake of a ship moving through deep blue water. The wake is a central, bright white line that branches out into smaller, white, bubbly patterns as it extends from the top center towards the bottom of the frame. The surrounding water is a rich, dark blue with subtle ripples and reflections of light.

**Psalm 33:20 Our soul waiteth for
the LORD: he is our help and our
shield.**
