

A close-up photograph of a vibrant red lily flower. The petals are a rich, fiery red color, adorned with numerous small, dark black spots. The flower is in full bloom, with several petals visible, some overlapping. The background is a dark, solid color, which makes the bright red of the flower stand out prominently. The lighting is soft, highlighting the texture of the petals and the delicate structure of the stamens.

Lamentations 03:14 I was a  
derision to all my people; and  
their song all the day.
