

A close-up photograph of a vibrant red flower, likely a species of ginger, with several yellow stamens visible. The flower is the central focus, with its petals showing some texture and color variations. The background is a soft, out-of-focus green, suggesting foliage. The text is overlaid on the upper portion of the image.

Gilead? surely they are vanity: they
sacrifice bullocks in Gilgal; yea,
their altars are as heaps in the
furrows of the fields.**
