

**Deutronomy 02:18 Thou art to pass
over through Ar, the coast of Moab,
this day:**

A close-up photograph of pink hydrangea flowers. The image shows several large, five-petaled flowers in shades of pink and magenta, some with yellowish centers. In the center, there is a dense cluster of small, unopened flower buds, some of which are light purple or lavender. The background is dark and out of focus, making the flowers stand out.
