

A scenic view of a small waterfall cascading over mossy rocks in a forest, with fallen autumn leaves scattered around. The water is captured in a long-exposure shot, creating a soft, white, misty effect as it flows over the dark, wet rocks. The surrounding area is filled with large, rounded boulders, many of which are covered in vibrant green moss. Numerous fallen leaves in shades of yellow, orange, and red are scattered across the rocks and the water's surface, suggesting an autumn setting. The overall atmosphere is peaceful and natural.
