

A close-up, high-angle shot of a field of golden wheat. The stalks are densely packed and reach upwards, their heads heavy with grain. The lighting is bright and warm, creating a rich, golden-brown color palette. The texture of the wheat is highly detailed, showing individual grains and the fine hairs on the stalks. The overall composition is a textured, organic pattern of light and shadow.

**Ecclesiastics 06:01 There is an evil
which I have seen under the sun,
and it is common among men:**
