

**Genesis 03:21 Unto Adam also and
to his wife did the LORD God
make coats of skins, and clothed
them.**

A close-up photograph of a stone fountain. The fountain has a wide, shallow, circular basin with a scalloped edge. Water is bubbling and spraying out from the center of the basin. The water is clear and bright, contrasting with the darker, rippling water in the background. The stone of the fountain is light-colored and has a textured, slightly weathered appearance.
