

A monarch butterfly with its characteristic orange and black wings is perched on a mound of dark, rich soil. The butterfly's body is dark, and its wings are spread, showing the intricate patterns of orange, black, and white. The background is a soft-focus view of the soil, which has a granular texture. The text is overlaid on the image in a white, serif font, centered and spanning most of the width of the image.

2nd Chronicles 33:19 His prayer also, and how God was entreated of him, and all his sins, and his trespass, and the places wherein he built high places, and set up groves and graven images, before he was humbled: behold, they are written among the sayings of the seers.
