

A close-up photograph of a blue and white iris flower. The petals are a mix of light blue and white, with some darker blue veins. The center of the flower is dominated by numerous yellow stamens with long, thin filaments. The background is softly blurred, showing more of the flower and some green foliage.

**Genesis 38:02 And Judah saw there  
a daughter of a certain Canaanite,  
whose name was Shuah; and he  
took her, and went in unto her.**
